

Finance Ministers' Coalition for Climate Action

Sherpa Meeting
February 21-22 2019, Helsinki, Finland

Introduction to Principles

22 Feb 2019

Key points about the principles

- Principles are aspirational.
- Coalition reflects the need for progress.
- Coalition is not a regulator or watchdog.
- Coalition motivates action through (1) mutual sharing of experience, and (2) acting as a platform to find expertise and support for policies.

Supporting material to the principles

- Supplemental note that lists possible policy options and practices
- Work programme
- Letter of Co-chairs

Immediate followup

- Distribution of revised text based on Friday's discussion
- 1 week feedback period
- Further revisions if necessary
- Proceed to obtain signatures.
- Letter sent by Minister Orpo and Larraín to invite signatures.
